DLS/ 2011 Recreation SPLOST

The Commissioners were given the opportunity by Chairman Jay to express their concerns and ideas as to how the SPLOST funds could be spent. County Attorney Toni Sawyer gave the Commissioner a hand out of the ballot that showed what the public voted on as to how the funds were going to be spent.

Commissioner John Mooney specified a positive SPLOST campaign is needed because of the ELOST that will be on the ballot in March 2016. He also stated he is not a micro-manager and believe it is the DLS Director and Board Members to make the decisions on what they will build and its location; but it is the responsibility of the Commission to make sure the money is spent correctly.

Vice-Chairman OD Netter stated other possible sights that might house the DLS Project. DLS Director Keith Morris and Recreation Board Chairman John Luckie were present to answer questions and state their ideas and concerns.

Chairman Philip Jay stated a committee was being formed to get the view for what every agency was thinking. He said Commissioner Bennie Calloway and Commissioner Daniel Cowan represented Ben Hill County Board of Commissioners.

The Commissioners encouraged Mr. Morris and Mr. Luckie are to bid the project out so everyone would at least know an estimated cost of the project.

The meeting was adjourned.
